1 **Read and answer.** Duoduo's best friends

How many best friends does Duoduo have now?

For Duoduo, Tutu is his best and only friend. He wants to play with Tutu, but Tutu is playing with two other boys. This makes Duoduo unhappy. Tutu asks Duoduo to join them but Duoduo just walks away.

After a week, Duoduo feels sad and he misses Tutu. "But Tutu may not miss me because he has new friends," Duoduo thinks.

Just then, Tutu sits down next to him. "Hi Duoduo. How are you?" Tutu asks. "I'm unhappy because I'm not your friend now," answers Duoduo.

"Why do you say that?" says Tutu. "Yes, I have new friends, but you're still my friend. Old friends and new friends are both very nice. Join us and they can be your friends, too."

Now Duoduo has three best friends!

2 **Read again and write "✔" or "✘".**

_____ 1 Tutu asks Duoduo to play together and Duoduo joins them.

_____ 2 Duoduo misses Tutu and he thinks Tutu may not miss him.

1 Read and answer.
Can the bird and the dog be friends?

Friends with differences

Mum Bird You can't be friends with Dog because you're so different.
Dad Dog You can't be friends with Bird because you're so different.

Bird Let's show them we aren't different. Then we can be friends.
Dog Good idea!

Bird I am small and you are big.
I eat seeds and you eat meat.
I fly and you run.
Er, what do we share?

Rabbit Hey, why are you looking worried?

Dog We want to be friends but we can't. We are so different.

Rabbit But we are friends because we are happy together.

Rabbit Friends play together and friends share with each other. That's the key.

Bird & Dog Let's show this to our parents. Then we can be friends — the best friends!

2 Read again and write.
